

plug

If you have a groundbreaking tech idea or are developing a digital business, Plug In is the number one location for you to house and grow your vision. Plug In is South LA's premier in-house tech startup community. We provide a modern, exclusive space where talented entrepreneurs can work, collaborate and take their projects to the next level.

Your network will skyrocket with smart, driven minds, from leading companies, across the nation. But what truly sets Plug In apart is our commitment to mentor, teach and inspire the next generation of South LA's leaders through meaningful programs and relationships.

Something big is happening in South LA. Join us and we'll revolutionize an industry and a city together.
